

COVID Testing Instructions

KANA is working hard to keep the Kodiak Community Safe during the COVID-19 pandemic. Testing is available to the Kodiak community with referral to one of our testing sites. If you are arriving in Kodiak and need to obtain a test upon arrival, please contact the KANA COVID Triage line at 486-9870 (option 1) before your arrival or as soon as possible.

If you have a primary care provider

- Your primary care provider can help facilitate the most appropriate testing option for you depending on your individual need and circumstance.

If you don't have a primary care provider

- If you don't have a primary care provider, call our dedicated COVID-19 triage line at 486-9870 (option 1).
- If testing is required, a referral will be submitted for you to receive a test.
- You will receive instructions on which site you should go to for testing with an appointment time.

Please note: the COVID triage line is open Monday-Friday from 8am-6pm, Saturday from 10am-5pm and closed on Sundays.

COVID Testing Locations

You must first obtain a referral in order to receive testing. The testing site you are referred to, will depend on your needs and at the discretion of your provider.

[KANA Testing Center | 3472 Rezanof Drive East \(located behind Eye Care Excellence\) | Testing is *by appointment ONLY* - Mon-Fri 9:00am -4:00pm and Saturday 10:00-4:00pm](#)

- You must preregister for COVID testing by calling KANA at 486-9870.
- **You will be notified *only* if your test is a positive result.** If you need proof of a negative test, please utilize the MyHealth patient portal and/or app to view your result. Staff at the KANA Testing Center will ask if you would like to sign up for the portal and have information to help you access the portal.
- Please note, while there is no out of pocket cost to you as the patient, COVID testing may be billable to your insurance. Providing your health insurance information allows us to help offset the costs of providing testing to the Kodiak community and we appreciate your willingness to provide this information.
- If you are requesting testing in anticipation of travel by air or ferry, please plan ahead as we cannot guarantee same day testing and it may take up to 24 hours to get test results.

Airport Testing tent- located behind the Island Air Building, hours based on AK Air jet schedule

- This site is intended **only** for passengers arriving on the incoming jet who did not obtain testing prior to boarding their Alaska bound flight

AND

- Individuals traveling to villages and other remote sites that have location specific mandates regarding COVID testing
- **You will be notified only if your test is a positive result.** If you need proof of a negative test, please utilize the MyHealth patient portal and/or app to view your result. Staff at the airport tent site will ask if you would like to sign up for the portal and have information to help you access the portal.
- Please note, while there is no out of pocket cost to you as the patient, COVID testing may be billable to your insurance. Providing your health insurance information allows us to help offset the costs of providing testing to the Kodiak community and we appreciate your willingness to provide this information.

A Note about MyHealth

- MyHealth is a secure health management tool that allows you to access your medical information and contact your primary or specialty clinic providers online or by mobile device.
- If you have signed up for MyHealth, your COVID-19 test results will be made available in your MyHealth patient portal.
- To sign up for MyHealth during COVID-19 call (907) 486-9870 to register.
- For more information go to: kodiakhealthcare.org/health-services/medical/myanmc-patient-portal/.
